OBSERVATOIRE 360

Nestled in the heart of Montreal's business district, on the 46th floor of an emblematic tower, Observatoire Place Ville Marie offers breathtaking view of our metropolis and its main attractions. Live a unique experience more than 185 meters above the ground. Its inspiring space, its 360° panoramic view, its incomparable oversized windows, its spacious terrace on the 44th floor that vibrates to the rhythm of Montreal's 4 seasons and its central location makes Observatoire Place Ville Marie a must. Enjoy a gourmet stop at les Enfants Terribles, the highest restaurant in Montréal!

THE MECCA OF HOCKEY

Ask any fan and they'll tell you: Montreal is synonymous with hockey. Experience the roots of that passion firsthand by seeing the Canadiens - winners of a record 24 Stanley Cup Championships. From September through April, 45 games are played at the Bell Centre, located in the heart of downtown.

Throughout the year, fans can visit the temple of hockey and enjoy a guided tour, offered daily, to discover the inner workings of this mythical arena.
